

September Trail Plan

Old Cheney, 70th Street and Holmes Lake Trails

WELCOME

The 2020 Trail-a-Thon is your chance to explore every inch of trails in our area by running, jogging or walking! Our goal is for more people to see and appreciate the great trail system in Lincoln!

Each month, we'll send Trail-a-Thon participants a guide to that month's trails. This month we will explore three trails that take us on a tour of South Lincoln. Two are on major roads so be careful of traffic. One is a connecting point for six other trails. And one takes a scenic loop around a lake.

All three are unique and fun to explore. Enjoy!

We hope to make the Lincoln Trail-a-Thon an experience that you will never forget!

Old Cheney Trail

This trail runs along the north side of Old Cheney Road, and connects/crosses six other trails (Jamaica North, Rock Island, Tierra-Williamsburg, Boosalis, 70th Street, and 84th Street).

On the west end, it connects to the Jamaica North Trail and on the east end, to the 84th Street Trail. But there is no trail sign at either of these locations. The trail sign can be found at the intersection of the Rock Island Trail, about .8 miles west from where the trail actually intersects Jamaica North.

START

You can park at Christ Place Church at 14th & Old Cheney, then walk west to the intersection of the Jamaica North Trail (below).

Or you can park at the gas station at the intersection of 84th & Old Cheney.

3. At Holmes Lake, where you can go north to Old Post Road and then run south.
