

July 2025 - 11.25 Miles

Billy Wolff Trail

This month, we're taking on the **Billy Wolff Trail** — the longest trail of the Trail-A-Thon! This route stretches across the entire city, from the Bob Devaney Sports Center in the north all the way to Hwy 2 & S. 91st Street in the south.

Along the way, you'll experience city life, open grasslands, tree-lined curves, parks, hills, and peaceful underpasses. It's well-marked and easy to follow, making it a rewarding challenge whether you're doing a section or tackling the full distance.

Trail Instructions:

- **Starting Point:** You have a few options depending on how much of the trail you'd like to complete:
 - **Full trail (north to south):** Park at Bob Devaney Sports Center and head south.
 - **Full trail (south to north):** Park near Southlake Village Rehabilitation Center, then walk toward Hwy 2 to find the trailhead sign.
 - **Half trail:** Park at the west side of Holmes Lake near the dam — this is approximately the halfway point.
- **Starting Out – South End (Hwy 2 & 95th):** We started at the southern end. Though it includes some hills, the overall elevation trends downhill as you head north toward downtown.

July 2025 - 11.25 Miles

Billy Wolff Trail

Route Highlights:

- **95th & Pine Lake:** Look for the trail sign directing you under Pine Lake Road.
- **84th & Pine Lake:** Just before the 84th Street underpass, the trail intersects with the 84th Street Trail.
- **84th Street Underpass:** Head right to go under the road. You'll pass Fireworks Restaurant — follow your nose! Continue through the neighborhood and turn right along Pine Lake Road.
- **Pioneers Blvd Underpass:** Take the underpass beneath Pioneers. Just after that, as you near Holmes Lake, stay left at the fork.
- **70th Street Intersection:** After passing under 70th St., follow the sign to turn left and follow the trail along 70th until you reach the dam.
- **Trail Markings:** The Billy Wolff has several trail connections and underpasses, but it's well-marked with lines and arrows. Just follow those, and you'll stay on course.
- **A Street Underpass:** Pass Antelope Park, then stay right to go under A Street. You'll soon pass the Lincoln Children's Zoo and approach 27th Street — again, stay right to go under.
- **Capital Parkway Bridge:** As you head toward downtown, cross the bridge near Lincoln High School.
- **Antelope Valley Section:** Expect a few hills and several underpasses to help you avoid intersections.

End Point:

- The trail concludes at Transformation Drive, near the Bob Devaney Sports Center, home of Nebraska Volleyball. As you approach, take a left across the bridge over Salt Creek to complete the journey.
